

Notification

No. 20/01/2022-4IB1

The 3rd November, 2022

In pursuance to the Section 5(f) of Haryana Electric Vehicle Policy-2022 notified in Gazette *vide* No. No. 20/01/2022-4IB-I dated 08.07.2022, the Governor of Haryana is pleased to notify scheme for “Water Treatment Incentives” to the manufacturers of Electric Vehicle (EV), major components of EVs, batteries for EVs and charging infrastructure as per details given hereunder:

1. Objective

To promote water recycling among manufacturers of Electric Vehicle (EV), major components of EVs, batteries for EVs and charging infrastructure

2. Quantum and period of Exemption

Reimbursement of 50% of the cost of water treatment plant up to INR 50 lakh for first 5 units in each category

- i. Medium Industry
- ii. Large Industry
- iii. Mega / Ultra-Mega Industry

3. Definitions

i. Water Treatment Plant: Installation developed to remove organic and inorganic contaminants from effluent water generated by the manufacturing plant. The treated water can be reused in plant processes.

ii. Ultra-Mega Project: Iconic Project having minimum Fixed Capital Investment of INR 6000 Cr. in A Blocks, INR 4,500 crore in B Blocks, INR 3,000 crore in C Blocks and INR 1,500 crore in D Blocks.

iii. Mega Project: Project having minimum Fixed Capital Investment (FCI) of INR 200 crore in B Blocks, FCI of over INR 100 crore in C Blocks and FCI of over INR 75 crore in D Blocks. The project undertaking expansion/ diversification and identified service enterprises with same criteria of investment shall also be treated as Mega Project.

iv. Large Enterprise: Investment in Plant and Machinery greater than INR 50 crore and turnover greater than INR 250 crore (over and above the of limit of Medium units defined under the MSMED Act, 2006 or as amended by Gol from time to time).

v. Medium Enterprise: Investment in Plant and Machinery or Equipment does not exceed INR 50 crore and turnover does not exceed INR 250 crore as amended by Gol under the MSMED Act, 2006 from time to time.

Government of Haryana
Industries and Commerce Department

- vi. New Enterprise:** The enterprise which has gone into commercial production on or after 10.07.2022.
- vii. Electric Vehicle:** Electric Vehicle (EV) refers to automobiles powered by a battery and an electric motor, including battery electric vehicles (BEV) and Fuel Cell Electric Vehicle (FCEV).
- viii. Batteries for EVs:** An electric vehicle battery (EVB, also known as a traction battery) is a rechargeable battery used to power the electric motors of a battery electric vehicle (BEV) or hybrid electric vehicle (HEV).
- ix. EV Components:** Components of EV will include Motor Controller, Electric Engine (motor) for EV, Regenerative Braking System, Drive System for EV/FCEV/SHEV, Batteries and Cells (Li-ion, hydrogen or other hi-tech cells) that can be used in EV/FCEV, Battery Management System (BMS), Electric Power Control Unit (EPCU), Battery Heating System, On-board Charger (OBC), Electric Traction Motors and controllers, EV Power Train Components, Components related to transmission mechanism, Traction battery pack, Low Voltage DC-DC Converter(LDC), Power inverter, Vehicle control unit (VCU), EV Charge Port, Fuel Cell Control Unit, Anode Recirculation Blower for FCEV, Hydrogen gas injector for Hydrogen Fuel cells, Humidifier/stack Bypass Valve, Stack-isolation and Control Valve for Hydrogen fuel cells etc.

4. Eligibility

All Industrial Units gone into commercial production on or after 10.07.2022. The existing units in EV manufacturing / EV component manufacturing / charging equipment manufacturing that construct water treatment plant post 10.7.2022 shall be eligible to apply for incentives.

Industrial Units shall also comply with following conditions:

- i. This scheme is applicable to new and existing units anywhere in B, C, and D blocks and / or in Govt. approved Industrial Estates / IMTs in Block A. Manufacturers of Electric (EV, BEV, FCEV) vehicles, charging infrastructure and EV/Hydrogen/Charging infrastructure component manufacturers shall be eligible for this incentive.
- ii. Existing units desirous of claiming incentives under this policy shall have to comply with the following:
 - a. Existing units undertaking expansion / diversification / complete conversion anywhere in B, C, D category blocks and / or in Govt. approved Industrial Estates / IMTs in Block A and
 - b. Units with an additional investment of at least 50% of FCI (of the already established unit) in EV sector

Government of Haryana
Industries and Commerce Department

- iii. The unit shall file Udyam Registration Certificate (URC) and Haryana Udhyam Memorandum (HUM) on the portal for statistical purpose, at any stage.
- iv. The unit should not fall in the restrictive list as notified by the State Government from time to time.
- v. The unit should have obtained NOC/CLU from Competent Authority, if applicable.
- vi. The unit should be in commercial production at the time of disbursal of the incentives.
- vii. Large and Mega units shall compulsorily establish a battery disposal/recycling/material recovery facility at their proposed plant for claiming any incentive under this policy.

Note: Units availing incentive under this scheme will not be eligible to avail similar incentive under similar head as given in any other Haryana Government policy. The maximum limit of the sum of all fiscal incentives shall not exceed 100% of Fixed Capital Investment (FCI) for manufacturers.

5. Commencement and Applicability

The Scheme shall commence with effect from 10.07.2022 for granting Water Treatment incentives to the manufacturers of Electric Vehicle (EV); major components of EVs; batteries for EVs and charging infrastructure and shall remain in operation for a period of 05 years.

The units manufacturing EV and EV components, which construct a water treatment plant in the premises after 10.07.2022, within policy period, shall also be eligible to avail incentives under this scheme.

6. Procedure for Water Treatment incentives claims.

- i. Application on prescribed Form (Annexure-I) for the grant of Water Treatment Incentives, along with listed documents would be submitted to the Director/ Director General, Industries & Commerce on the web portal of the department.
- ii. The application would be processed and examined by the Joint Director/Deputy Director, District Industries Centre. They will be responsible for scrutiny and shall clearly recommend for approval/rejection of the claim after conducting inspection of the unit. The deficiencies, if any, would be communicated to the applicant on-line within a period of 07 days and the applicant would be given a time period of 10 days to rectify the deficiencies so pointed out.
- iii. In case the deficiencies are not removed within prescribed period, the claim shall be filed by the Competent Authority, under intimation to the party through e-mail. The enterprise shall not be required to submit any additional document

Government of Haryana
Industries and Commerce Department

other than those specified under Annexure-I unless required for establishing genuineness of the claim.

7. Competent Authority for sanction:

The Director/ Director General - Industries & Commerce, shall be competent authority for sanction of the subsidy.

8. Time Limit

The enterprise shall submit its claim, complete in all respects, within three months from completion of construction of water treatment plant. In case the unit does not apply within 03 months then its entitlement for the subsidy will be forfeited.

9. Interpretation/ Clarification

The Administrative Secretary Industries and Commerce, Haryana shall be competent to make interpretation/clarification of provisions of this scheme.

10. Appeal

An appeal against an order passed by the Competent Authority shall lie with the Administrative Secretary, Industries & Commerce, Haryana which can be filed within a period of 30 days from the date of communication of orders appealed against. The orders passed by the Administrative Secretary, Industries & Commerce, Haryana in appeal shall be final. Appeal can be submitted in a written format at the office of the Administrative Secretary, Industries & Commerce, Haryana with subject as "Appeal for Water Treatment Incentives Scheme under the Haryana Electric Vehicle Policy-2022".

11. Power to condone delay in submission of application& appeal

- i. The Director/ Director General, Industries & Commerce, Haryana shall be competent to condone the delay up to a period of 03 months after the prescribed time limit.
- ii. The Administrative Secretary, Industries & Commerce, Haryana shall be competent to condone the delay up to a period of 06 months after the prescribed time limit. Provided that the competent authority is satisfied with the reasons of late submission of the application based on the substantial evidence/documents/ arguments presented by the applicant.

12. Penal Action

In case, it is found at any stage that the applicant has claimed the exemption on the basis of wrong facts, the applicant shall, besides refund of amount of assistance with compound rate of interest @ 12% per annum and facing legal action, be debarred from grant of any incentives/assistance from the State Government. If the applicant fails to refund the subsidy amount with interest, then the amount shall be recovered

Government of Haryana
Industries and Commerce Department

as arrear of land revenue. The applicant shall be debarred from public procurement as a result of mismatch in facts and figures.

13. Service Delivery Timeline

S. No.	Tasks	Time limit (working days)
1	Letter of Approval	30 days
2	Letter of Sanction	07 days
3	Disbursement	07 days

Anand Mohan Sharan
Additional Chief Secretary to Government of Haryana,
Industries and Commerce Department

Application format for claiming for Water Treatment Incentives

Sr	Particular	Details
1	Name of the applicant (Authorized person of the unit)	
2	Name & Address of the unit with telephone no. and e-mail	
3	Registered office address	
4	IEM/Udyam Registration Certificate (URC) and Haryana Udhyaam Memorandum (HUM)with date.	
5	Bank Details for beneficiary account <ul style="list-style-type: none">• Bank Name• Beneficiary Name (Authorized person of unit)• Account Number• Account Type (Savings / Current)• IFSC	
6	Category of the unit (Medium / Large / Mega)	
7	Details of new Water Treatment equipment installed on which assistance has been claimed: <ul style="list-style-type: none">a. Cost of constructionb. Cost of machinery and equipmentc. Other CostTotal	
8	Amount of subsidy claimed	

Self-attested copies of documents to be attached with the application:

- i. Copy of IEM/ Udyam Registration Certificate (URC) and Haryana Udhyaam Memorandum (HUM).
- ii. Certificate of Incorporation/ Partnership deed/Partnership registration/ Co-operative society registration.
- iii. Board resolution/ Power of attorney.
- iv. CA certificate of details of Expenditure incurred (Annexure-II).
- v. Certificate from Regional Officer of Pollution Control Board (Annexure-III).
- vi. Declaration by the applicant (as per Annexure IV)
- vii. Change of Land Use (CLU)/ NOC from competent authority, whichever applicable.

Signature of the applicant
(with seal)

Certificate from Chartered Accountant (on CA letter head)
To whom it may concern

The document & records of M/swith their regd. Office at
..... and factory located at.....

in respect of the expenditure incurred for installation of Water Treatment Plant have been verified, and it is certified that the said industrial unit have incurred a total expenditure of Rs..... (Rupees) towards installation of Water Treatment Plant as per the following details of payments.

Details of expenditure and amount paid (in rupees) is certified as under:

- a) Construction Cost.....
- b) Cost of machinery and equipment.....
- c) Other cost
- Total

AND

Verified from the books of accounts of above firm the total investment in plant and machinery (original purchase value) of the company as on date stands as Rs (Rupees) and turnover of last financial year Rs.----- (Rupees)

Name & signature of the
Chartered Accountantwith
stamps & CA membership
Number

Date-----

UDIN No-----

Payment at (a), (b) & (c) above should be supported by copies of bills.

Certificate from Regional Officer of State Pollution Control Board

No. _____

Date _____

Certified that the Water Treatment Plant has been installed on date _____ in accordance with the Scheme and is approved by the Haryana State Pollution Control Board under the Water Act, 1974/Air Act, 1981.

Regional Officer
Haryana State Pollution Control Board
District _____

Undertaking/Declaration

(to be submitted on non-judicial stamp paper of Rs. 50/- (Min) duly sworn before a Notary Public (duly affixed with Notarial Stamp; and with Notary Seal & Notary Registration Number) or First-Class Magistrate):

I, _____ do hereby solemnly state that I am proprietor/
partner/ director/ _____ of M/s _____
located _____ which is engaged in the manufacture of _____ and I
have been authorized to file the application for Water Treatment incentives with the
Department of Industries and Commerce, Haryana.

2. The unit will be liable to refund excess subsidy/assistance, if any released due to omission
or pointed out by the Audit team of Principal Accountant General, Haryana.

3. I do hereby further affirm that the particulars given in the application are correct. In
case any of the statement/ information furnished in the application/ documents later
found to be wrong or incorrect or misleading or violation of the eligibility
criteria/conditions, I do hereby undertake to refund the entire amount of exemption
granted to me along with compound rate of interest @12% per annum, besides facing
legal action in case facts contained in this application are proved to be wrong at the time
of verification/ checking or otherwise at any stage.
