

NOTIFICATION

The 29th January, 2016

No. 49/43/2015-4IB1 in pursuance to the provision under Chapter 12 of Enterprises Promotion Policy-2015 notified vide No. 49/43/2015-4IB1 dated 14th August, 2015, the Governor of Haryana is pleased to notify the “Assistance for Environment Compliance” for the Micro and Small enterprises in Agro & Food Processing and Textile sector anywhere in the State. The scheme will consist of the following provisions:

1. Objective:

Industrial development and associated growth should be necessarily carried out in a manner wherein no damage is done to the ecology and to the environment as a whole. To implement the concept of ‘Zero Effect’, a provision of financial assistance has been made in Haryana Enterprises Promotion Policy 2015 for environment compliance on capital cost for setting up of Effluent Treatment Plant and for installation of Air Pollution Control Devices for Micro and Small Enterprises of the State.

2. Quantum of Assistance:

50% financial support limited to a maximum of Rs. 25.00 lakh on capital cost for setting up of new Effluent Treatment Plant and for installation of Air Pollution Control Devices shall be provided to an eligible Micro and Small Enterprise. The units adopting zero effluent discharge will be considered for higher subsidy on case to case basis.

3. Commencement and Applicability:

The Scheme shall commence with effect from 15.8.2015 and shall remain in operation for a period of 5 years. The assistance shall be admissible on the purchase and installation of ETP/air pollution control devices and equipments after 14.08.2015 and before 14.08.2020.

4. Eligibility:

All Micro and Small enterprises in Agro & Food Processing and Textile sector existing anywhere in the State, which have filed EM Part-II/Udyog Aadhar with respective District Industries Centre shall be eligible under the scheme. Such enterprises shall only be provided financial support by way of reimbursement of expenditure incurred for installation of ETP/air pollution control devices and

Government of Haryana
Industries and Commerce Department

equipments as per scheme approved by Haryana State Pollution Control Board. The restrictive list of the Industries notified under EPP 2015 shall not be applicable for this assistance. The eligible Units must also comply with the following conditions:

- i. The unit should not have been placed in the restrictive list as notified by the State government from time to time.
- ii. The unit should have obtained NOC/CLU from competent Authority if applicable.
- iii. The unit should be in commercial production.
- iv. The unit should be in regular production at the time of disbursement and the subsidy shall not be released to a closed unit.

5. Procedure:

- 5.1 Application on prescribed Form (Annexure-I) for the grant of assistance on the purchase and installation of ETP/air pollution control devices and equipments, along with listed documents would be submitted to the Director of Industries & Commerce, on the web portal of the department within 3 month of date of installation.
- 5.2 The application would be processed and examined. The deficiencies, if any, would be communicated to the applicant in writing within a period of 10 working days and the applicant would be given a time period of eight weeks to rectify the deficiencies so pointed out. An enterprise shall not be required to submit any additional document other than specified under Annexure-I unless required for establishing genuineness of the claim.
- 5.3 In case the deficiencies are not removed within the prescribed period, the claim shall be filed by the Competent Authority, under intimation to the applicant through an e-mail.
- 5.4 A claim application so filed may be reopened with the orders of Principal Secretary Industries & Commerce provided request for the same is received within a period of 30 days from the date of rejection of the claim by the designated Competent Authority.
- 5.5 The units adopting zero effluent discharge will be considered for higher subsidy on case to case basis and the claim shall be considered and approved by a committee consisting of the following officers:
