Notification

The 28th September, 2015

No.2/5/1-I B II/96 - In pursuance to Enterprises Promotion Policy -2015 notified No. 49/43/2015-4IB1 dated 14th August, 2015, the Governor of Haryana is pleased to revise the existing Scheme bearing No, 2/5/1-IBII/96 dated 23.01.2013 for the grant of State Export Awards to the manufacturer exporters of the State of Haryana. The 'Export Award Scheme' will consist of the following provisions:

1. Objective:-

Exports play a vital role in the economic growth of the country and there is felt a need to encourage export promotion activities in order to maintain a favourable balance of trade. The Government of India has also been impressing upon the State Government to extend the facilities & recognition to the exporting units. The State's performance on the export front has been excellent inspite of lack of natural resources and the state's distance from the sea ports. Starting with an export of Rs. 4.5 crore at the time of its creation (1967-68), the State accounts for exports of more than Rs. 68,032 crore today, thanks to a conducive environment, state policies and initiatives, and above all, the entrepreneurial efforts. The State Government had also launched a scheme of State Export Awards in the year 1996 with a view to acknowledging and recognizing the contribution of exporting units. The Government of Haryana has decided to revise its Scheme of State Export Awards, of which the main features are given herein.

2. Category of Awards:-

- (i) A total of 18 'Outstanding Exporter Awards' across 09 different Industrial Groups and one 'Outstanding Woman Entrepreneur Exporter Award' shall be given as under:

Explanatory Notes on the Evaluation Criteria

- (a) **Maximum Exports (30 Marks):-** Any exporting unit having maximum average export performance in terms of value of the products exported for last four years will be allotted 30 marks & the marks to other exporters will be given according to ratio of average exports during last four years.
- (b) **Ratio of Exports to Productions (20 Marks):-** Firstly average of exports & production of four years is calculated separately. The unit having 100% export performance with respect to production will be assigned 20 marks & other exporters will be given marks according to ratio of their average exports to average production.
- (c) **Value Addition (20 Marks):** Difference of average production value of last four years and raw material consumption average value of last four years. The maximum difference of exporting unit will be given maximum marks and other units will be given marks proportionately.
- (d) **Best Trend in Export (15 Marks):-** The trend in exports will be ascertained by comparing average exports of last four years with respect to the annual Export Award year. Taking into account the particular maximum trend as base, remaining units would be allotted marks as per their trend. However, units having the declining trend in exports will not get any mark.
- (e) **New Product (05 Marks):-** The exporting units who have substantial efforts to boost exports in respect of new products would be considered for allotment of marks. Percentage of average export of new product to the average exports of the last four years will be made the basis of calculation and the unit having maximum percentage will be allotted 05 marks. The remaining units will be assigned marks according to ratio of exports. New product being manufactured by the unit should be duly certified and recommended by the concerned JD, DIC. A separate sheet may be attached along with the application form indicating the details of new product i.e. name of product and export made.
- (f) **R & D Activities (05 Marks):-** Exporting units having an investment below Rs. 10.00 lakh on R & D during financial year under consideration will be allotted 02 marks, unit having investment Rs. 10.00 lakh to Rs. 20.00 lakh will be allotted 03 marks and unit having investment more than Rs. 20.00 lakh will be allotted 05 marks.
- (g) **ISO 9001/14001/HACCP Certification:** - Exporting units having any of ISO 9001/14001/HACCP Certification will be allotted 05 marks.
